PLAYBOY'S HOLIDAY GIFT GUIDE

YOU'VE BEEN NAUGHTY ALL YEAR LONG. IT'S TIME YOU REWARDED YOURSELF. BEHOLD OUR COLLECTION OF THE GREATEST GIFTS ON EARTH

◀ Anthony Gallo's Nucleus Reference 3.1 speakers sound like heaven and look like angels. So why does a pair cost only \$3,000? You worry too much.

▲ Good things take time. We've been waiting years for Leica's M8 (\$4,800), the digital version of the company's legendary range finder. Quiet majesty comes standard.

▲ Buying a rare vintage Alfred Dunhill Tweenie car from 1912 will cost you junior's college fund. Accessories with the Tweenie devil logo are slightly more reasonable. The cuff links are \$250; the stainless steel flask is \$220. ▼
