marantz

SR7010

NETWORK AV RECEIVER WITH WIFI & BLUETOOTH

dts≝

Our new top-class SR7010 marks the epitome of power, connectivity and versatility. Not only does it perfectly and expertly handle any kind of high resolution multichannel audio format but it also offers an extended network package including audio streaming, internet radio, Spotify Connect and AirPlay. Built-in WiFi and Bluetooth capabilities - check. Superb surround sound audio quality from the latest tone formats is guaranteed by the powerful 32-Bit SHARC DSP. Tone formats include the latest decoding technologies Dolby Atmos, DTS:X (via firmware update later in 2015) and Auro-3D (optional paid upgrade) - which not only provide breath-taking surround sound but also open the door to 3D sound. In addition, the SR7010 further enhances audio quality by delicately handling all signals via the Marantz-own current feedback HDAMs preamp, before passing them to the high-quality nine amplifier channels, each with 200 W of pure power. For maximum versatility, the SR7010 can handle up to 11 channels for full system expansion. But it also takes supreme care of video signals via the eight HDMI 4k 60Hz pass through / scaling inputs and sends them to the two HDMI output sockets or independently to the third HDMI output that is dedicated for Multiroom. All of them support HDCP2.2 copy protection for 4k UHD content. There is even a Phono MM input – ideal for those precious vinyls. Set-up and operation is quick and easy via the Audyssey MultEQ XT32 auto-calibration and high-resolution Graphic User Interface.

Main Features

- Wi-Fi and Bluetooth built in
- Dolby Atmos and DTS:X (ready)
- Auro-3D upgradeable (optional paid upgrade)
- 9ch discrete power amplifier, 200W per channel
- 13.2 ch preout (XLR 11.2) with 11.2 ch processing
- Owner to Family and a first item with Manager Name IIDAA
- Current Feedback circuitry with Marantz New HDAM
 Audyssey MultEQ XT32, LFC, Sub EQ HT, Pro ready
- Latest HDMI 2.0a with 4K 60Hz 4:4:4 resolution
- High quality 192kHz / 32bit DAC
- 7+1 HDMI in / 3 out (4K 60Hz, 3D, ARC, HDR, BT2020)
- Full HDCP 2.2 support on all inputs
- HDMI scaling 1080p, 4k 50/60Hz
- MP3, WAV, AAC, WMA, AIFF
- HD Audio streaming: FLAC 192/24, DSD, ALAC
- Gapless Playback
- Spotify Connect*, Internet Radio support
- Phono (MM) input
- Setup Assistant and advanced GUI
- · Big trapdoor design; Aluminum front panel
- Marantz Remote App for iOS and Android devices
- ECO mode
